Symposium Craveri
"Sclerotherapy I"

Code05

- President **Mark Malouf (Australia)**
Chairman **Giovanni B. Agus (Italy)**
Chairman **Nicos Angelides (Cyprus)**
Local Chairman **Eduardo Tkach (Argentina)**
Secretary **Miguel Avramovic (Argentina)**

08:30	<i>Principles of management of varicose veins</i> Speaker Mark Malouf (Australia)
08:45	<i>Endothelin release after sclerotherapy</i> Speaker Alessandro Frullini (Italy)
09:00	<i>Treatment of venous malformation with Microfoam</i> Speaker Juan Cabrera (Spain)
09:15	<i>Microsclerotherapy: do we have prospective randomised trials? (Literature review, and practical approach)</i> Speaker Marianne Vandendriessche (Belgium)
09:30	<i>The local treatment of leg ulcers</i> Speaker John Hobbs (United Kingdom)
09:45	<i>Discussion</i>

22/04/2010
08:30 - 10:00
Martín Fierro

Symposium
"Peripheral Artery Disease: the Problem"

Code06

President **Jorge Guasch (Argentina)**
Chairman **Pavel Poredos (Slovenia)**
Local Chairman **Víctor Lamelza (Argentina)**
Secretary **Jerónimo David De la Cruz (Argentina)**
Secretary **Oscar Gural Romero (Argentina)**

08:30	<i>Asymptomatic Carotid Stenosis – When and what to do?</i> Speaker Jose M. Matos Fernandes e Fernandes (Portugal)
08:45	<i>Therapeutic education of the patient with peripheral arterial disease</i> Speaker Patrick H. Carpentier (France)
09:00	<i>Subclinical atherosclerosis, global cardiovascular risk and future cerebro- and cardiovascular events</i> Speaker Salvatore Novo (Italy)
09:15	<i>Problems in general management of patients with PAOD</i> Speaker Karel Roztocil (Czech Republic)
09:30	<i>The impact of MRSA infections in vascular surgery</i> Speaker George Geroulakos (United Kingdom)
09:45	<i>Discussion</i>

22/04/2010
10:30 - 11:00
Libertador A

Plenary Session
"New anticoagulant drugs; are heparins and oral anticoagulants challenged?"

Code07

President **Victor Geller (Argentina)**
President **Roberto Sacilotto (Brazil)**

Speaker **Jawed Fareed (United States)**
